Summary of Legislation: This bill requires a person who is less than 18 years of age to wear a properly fitted protective bicycle helmet when the person operates or is a passenger on a bicycle on a street, highway, or public bicycle path. It provides that a passenger on a bicycle must be either on a saddle seat or in a restraining seat. The bill prohibits the rental, lease, or sale of a bicycle to or for the use of a person who is less than 18 years of age unless the person shows possession of a properly fitted protective helmet or acquires a properly fitted bicycle helmet at the time of the rental, lease, or sale. It provides that a violation is a Class C infraction, the penalty for which is waived if the person acquires a protective helmet or restraining seat when ordered to do so by a court.

Effective Date: July 1, 1999.

Explanation of State Expenditures:

Explanation of State Revenues: Revenue to the state General Fund may increase if infraction judgments and/or court fees are collected due to the provisions of this bill. The maximum judgment for a Class C infraction is \$500 which is deposited in the state General Fund. If court actions are filed and a judgment is entered, a court fee of \$70 would be assessed. 70% of the court fee would be deposited in state general fund if the case filed in a court of record or 55% if the case is filed in a city or town court.

Explanation of Local Expenditures:

If the case is filed in a city or town court, 20% of the court fee would be deposited in the county general fund and 25% would be deposited in the city or town general fund.(2) A \$3 fee would be
